PAUL TRIPP

MINISTRIES, INC.

Connecting the transforming power
of Jesus Christ to everyday life.

You live in a fallen world. The temptation is everywhere. It's hard not to love the world and the things that are in the world. It's hard to love an invisible God more than the visible things that surround you. It's hard not to offer God a few pieces of your life while retaining most of it for yourself. It's hard not to reduce your walk with God down to a formal, external religion that lays no claim to the interior on your life. It's hard to grasp that you actually have to die before you can live. It's hard to grasp that your life is no longer your own.

The purpose of this non-profit ministry is to place the truths of the gospel (person and work of Jesus Christ) in the middle of the messy and confusing situations and relationships in which every person lives. Its goal is to place the gospel in the hallways, bedrooms, boardrooms, family rooms, condominiums and vans of everyday life. It is designed to answer the question, "What has Jesus given me for what I am facing right here, right now today?" We speak with practical, biblical help and hope into the confusion, disappointment, anger, fear and discouragement that people experience as they face the harsh realities of life in this broken world. We can provide:

- Weekend conference at your church or organization
- Pastors & Church Leadership Conferences
- Gospel in daily life resources
- Audio & video material to stream on our Web site
