

Winter CLASSES - 2012

Classes begin Wednesday, January 4, 2012 unless otherwise noted.

Cornerstone Introductory Class

- **Discovering God's People** - (Sun. AM) - A 5-week class that clarifies the gospel and introduces you to the ministry of Cornerstone. In this class we cover the four things that unite us: 1) Our Salvation 2) Our Statements 3) Our Strategy and 4) Our Structure. *This class is required for membership.* (This class is offered on a rotating basis. Please see your bulletin for starting dates and call the church office to register.)

General Electives

- **Instruments in the Redeemer's Hands: How to Help Others Change** - God's plan is not to place our sanctification in the hands of trained professionals; rather, it is through the *personal ministry of fellow members of Christ's body* that the whole church matures in Christ (Ephesians 4:11-13). Author Paul David Tripp has designed this dynamic Study Guide based on his best-selling book, Instruments in the Redeemer's Hands. This study guide will equip you and your church to be a part of the change process in another person's life.
Teacher: Garry Lloyd
- **A Study of Galatians:** This is a study of the Book of Galatians, which was originally written as a letter to the Christians in southern Galatia. Paul wrote the letter to clarify and uphold the true gospel that we are justified by grace through faith without the works of the law.
Teacher: Terry O'Brien
- **English Language Learners:** The English Language Learners (ELL) is a ministry opportunity using the English language to help, teach and reach our community. What an opportunity! Please share about ELL with your friends interested in English assistance. Also, prayerfully consider tutoring with ELL as we share our language and our friend Jesus Christ with those who are seeking (church membership required).

Men's Elective

- **Crazy Love** - It's crazy, if you think about it. The God of the universe - the Creator of nitrogen and pine needles, galaxies and E-minor - loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Does something inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts - it's falling in love with God. Requires book and workbook.
Teacher: Tom Peltier

Women's Electives

- **First Place 4 Health** - With weight loss at the core of healthy living, you will be inspired to get on the road to health, making small choices for positive change every day. You will be challenged to incorporate spiritual disciplines as you work toward a healthier you. (Homework) Leaders: Mary Johnson and Debbie Niffenegger
- **Questions Women Ask** - Have you ever felt like you have more questions than answers in life? Does God have answers to our questions? We will seek to find answers to those questions as we search the scriptures. Finding answers will help us to live our lives well for God's glory. (Homework) Teacher: Denise Hardy
- **Precepts Study—Daniel—Part 2** - Threatened with death, Daniel stuck to his guns and refused to adopt a pagan lifestyle. His worldview had God at the center and he lived it out even under extreme pressure to change. Learn to adopt a biblical worldview and adhere to it even when it's not the norm. (Homework) Leader: Terri Lewis
- **The Study of James Part 2** - Have you ever wished you hadn't said something? Would you like to have better control of your tongue? If so, come and study the book of James, chapters 3-5. Our study of Scripture will be assisted by the book, *With the Master, In the School of Tested Faith*. (Homework) Teacher: Marilyn Kaynor

TUESDAY MORNINGS - January 3 @ 9:30 am

- **Proverbs & Parables: God's Wisdom for Living - Beginning January 10, 2012** Solomon compares God's wisdom to silver and hidden treasures. God's constant wisdom is expressed in different ways. This study links the truths of the proverbs and the parables and applies them to contemporary living. (Homework) Leader: Rose Dishman
- **The Study of James: Part 2 - See Wednesday**

Nursery is available for both Tuesday mornings and Wednesday evenings.

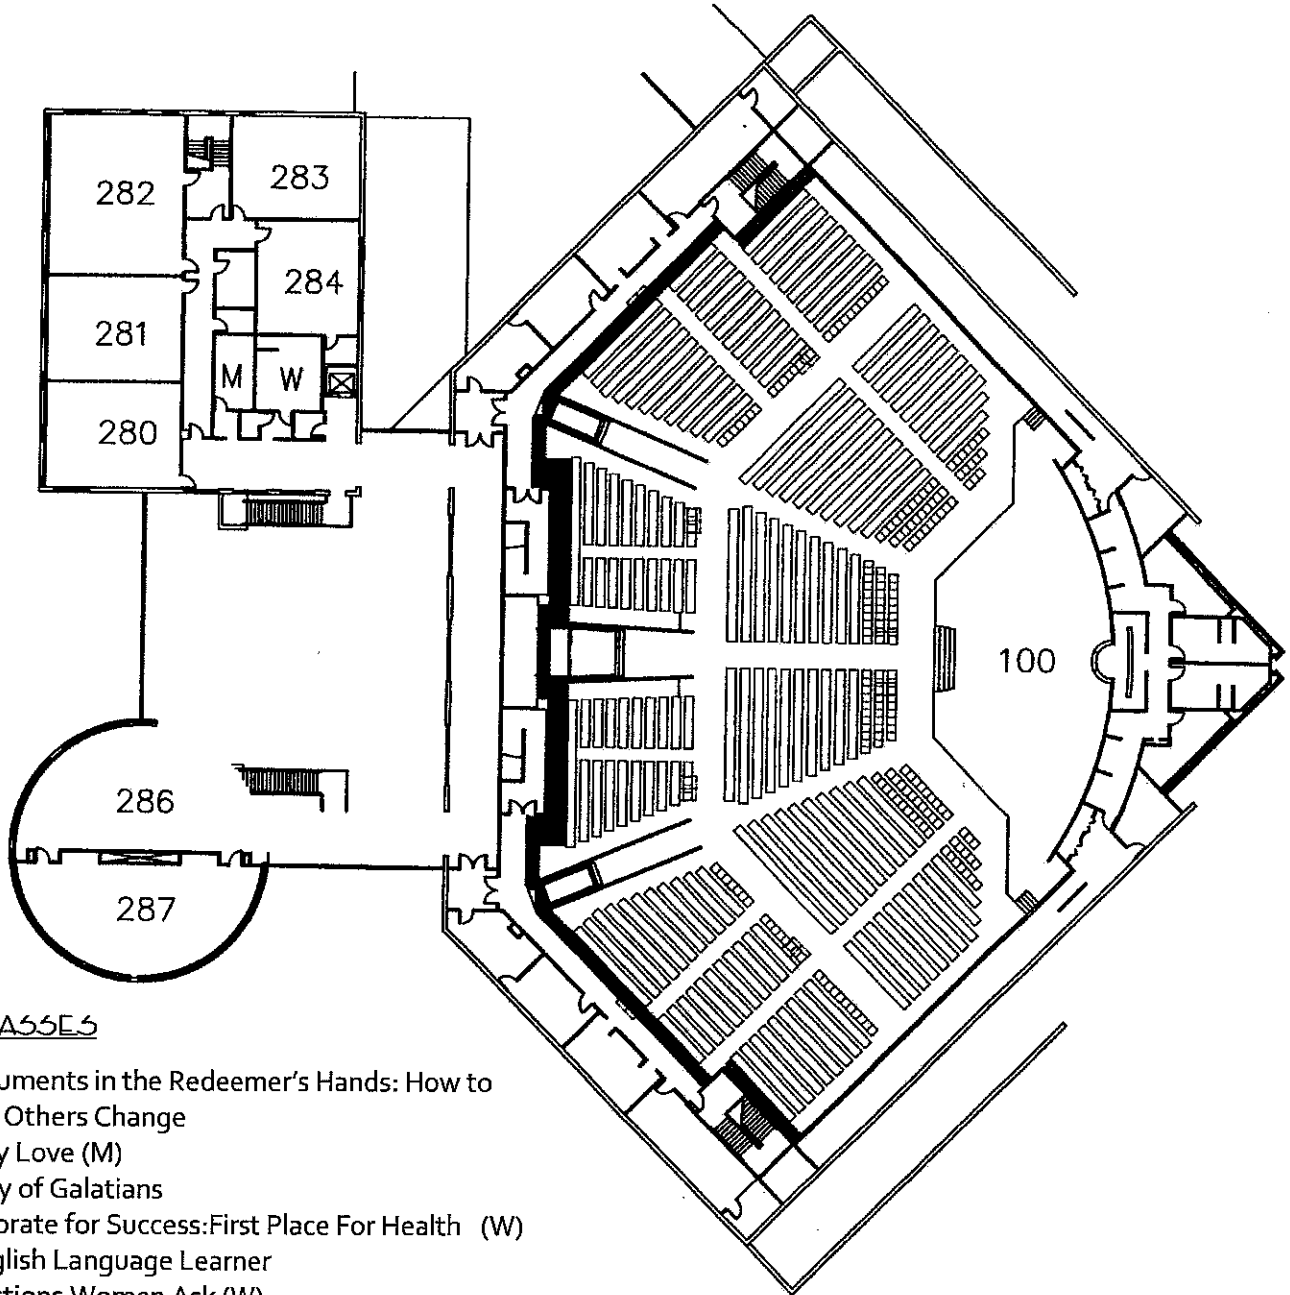

SATURDAY MORNINGS - January 14 - 8:30-9:30 AM

- **Exercise Class** - This class is a cardio and toning exercise class. It is a great opportunity for fellowship together with ladies from Cornerstone and from the community. If you desire to start this year out by adding some physical activity to your week, then this class is for you. If you wish you can bring in a mat or a towel along with hand weights for your workout. **There is no child care for this class.**

Signing up for your class helps us in ordering the correct amount of books and determining room assignments.

Thanks for helping us out by signing up early.
