

SIX DAYS

For in six days the LORD made the heavens and the earth, the sea, and all that is in them.
Exodus 20:11

DAY 1

Genesis 1:1-5

Darkness

There is no light yet.

Earth

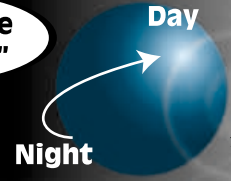

It has no shape (formless and empty) and is made all or mostly of water (Gen. 1:2)

The Spirit of God
 (hovering above the waters)

And God said,

"Let there be light!"

And there was **Light!**
 (but not the sun!)

When God separated the light from the darkness, (Gen. 1:4-5) this may be when the earth became round and began spinning so we can have days and nights.

DAY 2

Genesis 1:6-8

Earth
 Now it has a sky with air to breathe.

Waters Above*
 Might have been a 'canopy' of water floating above the sky'.

Waters Below
 The seas on the earth below.

Sky*
 The 'expanse' between the waters above and below.

The Earth Now Has a Sky*
 By now, the Earth may have breathable air.

*The idea of a CANOPY of water hanging above the earth is a THEORY which fits what the Bible says. Not all creationists believe this theory.

DAY 3

Genesis 1:9-13

Dry Land
 Dry ground has now appeared.

Seas
 The waters have been gathered together.

Trees and Plants on Dry Land

All created according to their kinds. They didn't evolve.

DAY 4

Genesis 1:14-19

Stars
 So we could know what time of year it is.

Moon
 A lesser light to govern the night.

Sun
 A greater light to govern the day, but maybe not as bright as the FIRST light.

By now, the Earth probably started revolving around the sun like it does now.

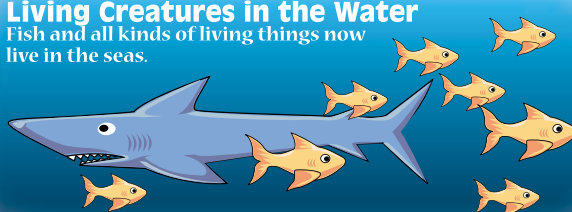

With the sun, moon, and stars all in place, the Earth could now mark days, seasons, and years.

DAY 5

Genesis 1:20-23

Living Creatures in the Water

Fish and all kinds of living things now live in the seas.

Birds to Fly in the Sky

All kinds of birds now fly around in the air among the trees.

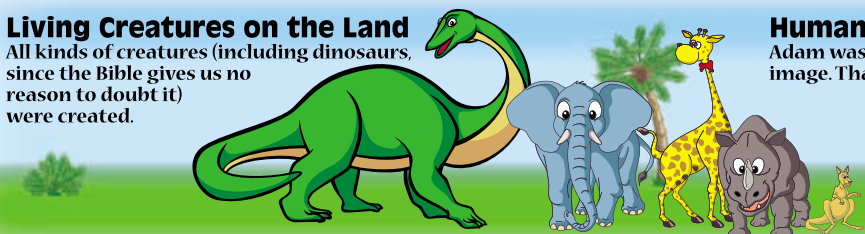

DAY 6

Genesis 1:24-31

Living Creatures on the Land

All kinds of creatures (including dinosaurs, since the Bible gives us no reason to doubt it) were created.

Humans are Created!

Adam was made in God's own image. That makes us special!

And on the **SEVENTH DAY, GOD RESTED!**
